Authentic Leadership Circles™ and Authentic Leadership Dinner Series™ are a series of 2-2.5-hr sessions where a small group of leaders come together in dialogues facilitated by an experienced coach or leadership practitioner. In a comfortable environment the participants co-create community, deepening their own understanding of their leadership journeys, while sharing that awareness with others.

Authentic Leadership Circles™ are being launched in communities (large and small) across Canada and USA.

Authentic Leadership Circle™ is sponsored in part by Hollyhock. Catering by Potluck Society <http://www.potluckcatering.com/>
